

To whom it may concern,

I just take a minute to extend my warmest gratitude to Irene for the great job she's done with our son. In 3 months he learned to recognize 6 notes and 5 rhythms, which is amazing!! He was able to perform four songs including a solo performance. I'm very happy and truly honored to have had the chance to work with Irene. She's patient, talented and very caring towards my son.

Today was such a great day for our family and we couldn't have done it without Irene.

Warmest Wishes,

Shavenese Rosado
